LAKSHMI KIRAN B

IT SUPPORT ENGINEER | WINDOWS INFRASTRUCTURE | ACTIVE DIRECTORY | L2 SUPPORT

Bengaluru, Karnataka | +91-8374056396 | lakshmi2000kiran@gmail.com | linkedin.com/in/lakshmi-kiran-b-76a658

PROFESSIONAL SUMMARY

IT Support Engineer with hands-on experience in Windows infrastructure support, Active Directory administration, Group Policy and L2 troubleshooting, including support for a 300+ user environment. Works with Windows 10/11 and Windows Server 2019, and troubleshoots DNS, DHCP, VPN, Outlook and desktop issues. Familiar with endpoint security, patch management, IT asset tracking, incident management and root cause analysis; working knowledge of PowerShell.

TECHNICAL SKILLS

Windows: Windows Server 2019; Windows 10/11 installation, configuration and troubleshooting

Active Directory: AD DS; user and group administration; password resets; account unlocks; OU management

Group Policy: GPO support; security settings; login scripts; mapped drives

Networking: DNS; DHCP; TCP/IP; connectivity troubleshooting

Endpoint Security: Kaspersky Security Center; antivirus status and updates; patch management

Remote & Email: RDP; AnyDesk; TightVNC; Outlook; PST/OST; SMTP/POP3 fundamentals

PowerShell: Basic system information, service checks and network connectivity testing

IT Operations: Incident/SLA tracking; RCA; KB documentation; asset inventory; BIOS, RAM, SSD/HDD and peripheral diagnostics

PROFESSIONAL EXPERIENCE

IT Support Engineer
Sep 2026 – Present

Enser Communications Pvt. Ltd. | Bengaluru, Karnataka

- Administer Active Directory user and group accounts, password resets, account unlocks and OU structures.
- Support Windows 10/11 and Windows Server installation, configuration and troubleshooting.
- Support Group Policy settings, login scripts and mapped drives, within assigned permissions.
- Diagnose desktop and laptop hardware faults, including BIOS, RAM and storage issues; replace faulty components.
- Maintain IT asset inventory and document incidents, troubleshooting steps and resolutions.

IT Support Engineer
Nov 2024 – Sep 2026

Athena BPO Pvt. Ltd. | Bengaluru, Karnataka

- Supported Active Directory account lifecycle activities for a 300+ user environment: provisioning, password resets, account unlocks, security groups and OU administration.
- Provided L2 Windows support for AD authentication, DNS, DHCP, VPN, Outlook and desktop connectivity issues.
- Supported Group Policy administration, including security settings, login scripts and mapped drives.
- Handled endpoint security and patch management using Kaspersky Security Center.
- Used basic PowerShell to inspect system information, check Windows services and test network connectivity.
- Created knowledge base documentation for recurring incidents and resolutions.

Technical Intern
Mar 2023 – Sep 2023

VLSIGURU | Bengaluru, Karnataka

- Performed RTL simulation and debugging; documented technical issues and results.

Associate Software Developer – Application Support
Jun 2022 – Nov 2022

Mphasis Pvt. Ltd. | Pune, Maharashtra (Remote)

- Supported application incidents in an SLA-driven environment, including troubleshooting, prioritization and escalation.
- Prepared RCA documentation and supported coordination of application patches and releases.

PROJECT (PERSONAL / NON-PRODUCTION)

Windows Server 2019 Home Lab (personal, non-production): Built a lab with AD DS, DNS, DHCP and Group Policy to practise user/group administration, policy configuration and basic PowerShell.

EDUCATION

B.Tech, Electronics & Communication Engineering
2022

Annamacharya Institute of Technology and Sciences, Tirupati | CGPA: 7.5
